ON A MISSION TO CREATE HAPPINESS.

029 Group is a global investment platform at the intersection of real estate, hospitality, and lifestyle. We build and back category-defining brands and platforms reshaping how people live, travel, and connect.

About 029 Group.

As technology and societal shifts reshape how people live, work and travel, demand is rising for spaces and experiences that feel meaningful, connected and inspiring.

We believe the most compelling opportunities emerge where real estate, hospitality and lifestyle intersect to create environments that enhance everyday life. This convergence, powered by innovation and community, opens a broad landscape for the next generation of real-estate-anchored platforms and brands.

With a hands-on investment approach, 029 Group backs audacious entrepreneurs, focusing on areas where we can add significant value through our platform, global network and company-building expertise.

029 Group SE is based in Berlin, Germany.

Our Value Proposition.

Our Operating Model.

PROPRIETARY ACCESS

Our complementary networks and skillsets enable us to incubate, invest, and source unique opportunities in the hospitality, real estate and technology sectors. Our network allows us to introduce our portfolio companies to tier 1 investors and support them along their capital formation journeys.

ENTREPRENEURIAL APPROACH

We follow a hands-on, entrepreneurial investment approach. Through our extensive company building experience, we support our portfolio companies to navigate roadblocks and strategically grow their business.

VALUE CREATION THROUGH SYNERGIES

We only invest in opportunities when we see added value through our complementary skills, such as talent sourcing, cross-selling opportunities across our platform, buy-and-build value creation, and capital formation.

PROVEN TRACK RECORD

Our founding team has been working together for many years. Thanks to their excellent track record in a multitude of successful private and public transactions, our companies benefit from their exceptional strategic and public and private capital markets abilities.

Our Team.

LEON SANDER

Managing Director

As part of the founding team, Leon has been instrumental in driving corporate development, investment strategy, and investor relations activities. Leon is a highly entrepreneurial and analytically savvy venture capital investor with profound expertise in venture capital, corporate finance, and capital markets. Leon holds an International M.Sc. in Finance and has several years of experience in the venture capital and private equity industry, having worked as an investment manager for a European growth venture fund.

JUAN RODRIGUEZ

Chairman

Juan has been active in the venture scene for more than 20 years. He gained extensive experience in finance and sales controlling at a telecom startup before moving to the investor side in 2007 at FinLab AG, one of the first and largest fintech and blockchain investors in Europe. There, he developed deep expertise across investor relations and finance, eventually assuming the role of managing director and CFO in 2013. Since 2021, Juan is managing partner at C3 Venture Capital.

Dr. MARTINA WIMMER

Deputy Chairman

Martina is a highly experienced attorney with a strong background in corporate law and finance. She has worked for several years at a prestigious law firm in Vienna, where she was involved in various M&A transactions, mergers, spin-offs, and other restructuring activities for international corporations. In recent years, she transitioned into the venture capital scene, holding positions as a Senior Legal Counsel, and has been involved in numerous transactions from seed funding to IPO. Martina holds a doctoral degree in law from the University of Vienna.

Our Core Platforms.

Limestone Capital and Periskop Partners serve as our two real-estate anchored platforms re-defining the next generation of living and hospitality.

Periskop Partners AG

COMPANY DESCRIPTION

Periskop Partners is an independent investment and asset management platform focused on structurally driven real estate strategies across Europe. The firm develops and manages specialized investment verticals along the entire real estate value chain, with a particular focus on land development, senior living, and logistics and light industrial assets.

Periskop advises institutional investors and family offices on the execution of long-term, risk-adjusted investment strategies and acts as an initiator and advisor of fund structures in cooperation with external AIFMs. Through its platforms, Periskop manages assets of over €2 billion and operates offices in Berlin, Frankfurt, Leipzig, Warsaw, and Zug.

The existing portfolio comprises investments in Germany and Poland, including large-scale land development projects, senior living and care assets, as well as logistics and industrial properties in economically strong metropolitan regions.
